BURROW

PORCELAIN

With serene colors inspired by nature, the Burrow Collection blurs the barriers between indoor and outdoor areas. These porcelain tiles are fresh and beautiful, with slight movement and neutral tones ranging from quiet greys to restful blues. Matching 12" x 24" Art Nouveau-inspired fanned decos, simplified and repeated in a symmetrical manner, round out the collection, as are trendy mosaics and trim pieces. This collection offers maximum creative versatility by providing a simple but stylish backdrop for both home and business situations.

FOX

PORCELAIN

Our high-tech porcelain tiles are made from natural ceramic clays and minerals, resulting in a highly durable and non-porous surface that resists temperature shock, UV light, water absorption, discoloration, and even scratching. Our tiles are also created without resin in "sustainable" production facilities that recycle both materials and water.

Fox is the pinnacle of your most ambitious architectural design endeavors.

NIMBLE

PORCELAIN

The four soft limestone colors with modest movement give any residential or business space a tranquil and organic vibe. Nimble is available in 12x24 and 24x48 sizes, as well as two geometric deco designs, complementary mosaics, and trim pieces. Its three finishes, honed, polished, and textured, making it suitable for both indoor and outdoor installations.

Nimble provides two decos in honed and polished finishes: the Arrow deco in 12x12 and 24x24, and the Stria deco in 24x24. Their diverse patterns allow for an infinite number of design possibilities.
